

Tadiran T48G

Ultra-Elegant Gigabit IP Phone

The T48G is Tadiran's most recent innovative IP Phone for a fast-changing world. Designed specifically for both local and international use by business, industry and commerce, it incorporates a large touch panel that makes switching between different screens and applications swift, easy and convenient. The T48G's HD technology very carefully creates the impression that you are sitting virtually face-to-face opposite the person at the other end of the call. The T48G is also built for Gigabit Ethernet and facilitates very rapid call handling and the application of accessories such as a Bluetooth USB Dongle, plus wired and wireless headsets. This new IP Phone supports impressive productivity-enhancing features which make it the natural and obvious efficiency tool for today's busy executives and professionals.
